**One company can't be everything to everybody...
That's a fact!**

ISU-Wm. Schwartz & Co. has been in business for well over 100 years. It has always been family owned and operated by the Schwartz family. As an independent insurance firm, we are proud to be affiliated with ISU, one of the nation's largest insurance networks. This national network benefits you by providing access across the country to over 350 insurance providers. It also provides resources for placement of your insurance risks that are national in scope.

We're locally owned and managed by a staff of dedicated professionals. We don't limit your choices, we *enhance* them. We create and provide insurance programs with coverages and limits for exposures unique to you. Special commercial group programs have been designed to offer distinctive, innovative and competitive insurance plans for a diverse base of industries. The best value at the lowest cost, consistently and without compromise.
